 Three Year Warranty on Workmanship, Materials, and Rock Chip Damage - Excludes Fading

PART #58645W
FORD F250-F550
SD '11 - '16

- 1** Middle tube contains four light tabs
- 2** The outside portion of the bumper is constructed of seven gauge smooth steel
- 3** 6" light cut-outs
- 4** The center portion and skid plate are constructed from 1/4" heavy duty smooth steel; the grille guard offers 5/16" laser cut uprights
- 5** Accommodation for shackles
- 6** One-piece, fully welded for rugged on or off-road use
- 7** Easy, no drill, hassle-free installation
- 8** Ultimate Armor finish that provides extra resistance to corrosion, dings and scratches
- 9** Compatible with all major winch brands
- 10** Offers the highest ground clearance

Pro Series will not work with OEM Front BumperSensors, or OEM Front Facing Cameras

Optional Powder Coat Finish Available. Optional Receiver Hitch Available. Special Order Only.

Series X Dodge Ram 2020-23

Steps Part #69173

Bumper Part #69173

STEPS PART #69173

- 1/8 Aluminum Construction
- 3/4" Steel Brackets
- NEPA "Firetruck" Aluminum step with Dropdown Hoop Step

FRONT BUMPER PART #60173

- Sensor Compliant
- Constructed of 1/4" Internal Structure and 11 Ga Steel Exterior
- Bezel Accents Included
- 3/4" "D" Rings
- Choice of Bare Steel or Textured Black Powder Coat Finish
- Four 3" Light Pockets
- 1/4" Mount Brackets to Factory Frame

Product Key

1. Will not fit Denali Models or Denali Style Grilles.
2. Will not fit Harley Davidson Models.
3. Will not fit Ram Sport or Plastic Bum Bumpers
4. Trimming may be required
5. Will not fit Lariat Limited
6. Will not fit F-150 EcoBoost
7. Interferes with front bumper sensors
8. May interfere with Adaptive Power Steer
9. Will not work with 5.0 V8 Engines
10. Will interfere with OEM front facing cameras
11. Will fit the Ford F150 Diesel

Three-Year Warranty on Workmanship and Finish

FLEET REQUESTED PARTS

* Special Order Only

2 Different Coatings 1 Ultimate Piece!

FORD SD F250 - F550 '11 - '16
PART #46644 Black
PART #44644 UA

1 Three year warranty on workmanship and materials. One year warranty on finish.

2 Three year warranty on workmanship and materials. Three year warranty on finish on UA Coating.

- 1** Easy, no drill, frame mount installation is designed to utilize existing holes in the frame for extra strength, rigidity and no vibration.
- 2** 1/4", laser cut steel uprights. Retains or replaces tow hooks on all applications.
- 3** Center grille is 18 gauge steel with 1/2" punched holes on most models.

- 4** Heavy-duty 1.9", 14 gauge steel tubular frame is designed to accentuate each vehicle's front end.
- 5** A built-in wide Diamond "Step Plate" allows easy access to the hood and engine on today's big trucks and SUV's.
- 6** UA Coating is up to 40 mil. of protection, versus only 3 - 6 mil. on powder coat finishes, making it ideal for areas prone to corrosion.

- 7** UA Coating is resistant to various solvents, caustics, and mild acids.
- 8** UA Coating is abrasion resistant, weather resistant, and flexible
- 9** UA Coating is waterproof, seamless, and resilient

Grille Guards

PART #77639B
FORD F150 '09 - '14

Attention:

Finish Protection: All Go Industries products have a high quality finish that must be cared for like any other exposed finish on the vehicle. Proper cleaning is essential, especially during winter use. Salts, chemicals, mud, mineral deposits and other semi-permanent debris can lead to corrosion and permanent damage. We recommend a thorough cleaning of all surfaces once a week and/or after hard use. Dry the surfaces to remove any mineral deposits left by water. Protect the finish with a non abrasive automotive wax, pure carnauba, on a regular basis. The use of any soap, polish or wax that contains an abrasive is detrimental, as the compounds scratches the finish and open it to rust and corrosion

Product Key

1. Will not fit Denali Models or Denali Style Grilles.
2. Will not fit Z71 models.
3. Will not fit Hybrid Models.
4. Will not fit Harley Davidson Models.
5. Will not fit FX2 Sport, or '04 Heritage
6. Trimming may be required
7. Will fit Hybrid Models
8. F-150 EcoBoost models require Part #46639ECO
9. Will not fit Sierra "All Terrain" Edition
10. Will not fit Lariat Limited
11. Will not fit F150 Raptor
12. Interferes with front bumper sensors
13. May interfere with Adaptive Power Steer Control
14. Will not work on 5.0 V8 engines
15. Will interfere with OEM front facing cameras
16. Will fit the Ford F150 Diesel Powerstroke Models 2018-19
17. Will not fit Conversion Vans

Attention:

Finish Protection: All Go Industries products have a high quality finish that must be cared for like any other exposed finish on the vehicle. Proper cleaning is essential, especially during winter use. Salts, chemicals, mud, mineral deposits and other semi-permanent debris can lead to corrosion and permanent damage. We recommend a thorough cleaning of all surfaces once a week and/or after hard use. Dry the surfaces to remove any mineral deposits left by water. Protect the finish with a non abrasive automotive wax, pure carnauba, on a regular basis. The use of any soap, polish or wax that contains an abrasive is detrimental, as the compounds scratches the finish and open it to rust and corrosion and will void the warranty.

Rancher Rugged Steps

- Cab Length Steps for your truck
- Extra wide, 8.25", for sure footed step
- Strong, high strength steel brackets
- Vehicle specific brackets for easy, no drill installation
- 1.9", 14 gauge round tubing, with 2", 10 gauge steel runners for a debris free step
- Optional mud scraper can be located at the front, middle or back
- Ultimate Armor Finish for Extreme Protection
- Three year warranty on workmanship and materials (excludes fading)
- Shipped in Three Boxes

Part #42701

Diamond Tread Steps

- Three year warranty on workmanship and materials
- One year warranty on finish
- Proudly made in the USA
- Specific weld points for brackets
- Wide 6" diamond top plate for stepping
- Cab length steps for your truck
- 1.9", 14 gauge tubing with 1/8th" thick diamond tread plate
- Strong, high strength steel brackets
- Black powder coat with gloss finish

Black Painted Tailgate - V-Style
Available in White or Black Powder Coat Finish

MOST MODELS COME STANDARD WITH ANTI-THEFT LOCKS Available with driver side lock to prevent tailgate theft

O.E.M. Style tailgate latch

Black Painted Tailgate - Straight
Available in White or Black Powder Coat Finish

FLEET REQUESTED PARTS

- Constructed from 16 gauge steel and designed to install in minutes.
- Affordable, low cost gates with the benefit of air flow design.
- Available in both V-Style and Straight Style.
- Available in white or black powder coat finish.
- Three-year warranty on materials and workmanship, excluding finish. The powder coat finish is covered by a six-month warranty.
- Made in the USA.

Go Industries offers the largest selection of aftermarket tailgates that are both affordable and functional. Designed for today's vehicles, our gates are custom manufactured to each vehicle insuring an exact fit when replacing the OEM tailgate. Go Industries tailgates are installer friendly with no drilling or cutting required.

OPTIONAL KABA™
SIMPLEX LOCK

PART #50013

SAFE BOX - DUAL LEVEL

- The Ultimate Storage Box
- Constructed out of 16 gauge steel
- Comes in Black Texture Powder Coat Finish
- Accuride Slides - Holds 350lbs per drawer
- Equipped with "T" handle with key (Optional Kaba™ Simplex keyless punch locks available)
- Dimensions - 48"x37"x27" overall weight is 190lbs

PART #50026

SAFE BOX - SINGLE LEVEL - DUAL DRAWER

- Single level storage
- Constructed out of 16 gauge steel
- Comes in Black Powder Coat Finish
- Accuride Slides - Holds 350lbs
- Equipped with a "T" Handle with key (Optional Kaba™ Simplex keyless punch locks available)
- Dimensions - 43"(W)x32"(D)x12"(H)
- Depth of drawer measures 9"
- Comes standard with one divider for your equipment needs

PART #50007

SAFE BOX - SINGLE LEVEL II

- Single level storage
- Constructed out of 16 gauge steel
- Comes in Black Powder Coat Finish
- Accuride Sliders - Holds 350lbs
- Equipped with a "T" Handle with key (Optional Kaba™ Simplex keyless punch locks available)
- Dimensions - 48"(W)x32"(D)x12"(H)

PART #50006

SAFE BOX - SINGLE LEVEL II

- Single level storage
- Constructed out of 16 gauge steel
- Comes in Black Powder Coat Finish
- Accuride Sliders - Holds 350lbs
- Equipped with a "T" Handle with key (Optional Kaba™ Simplex keyless punch locks available)
- Dimensions - 48"(W)x32"(D)x12"(H)

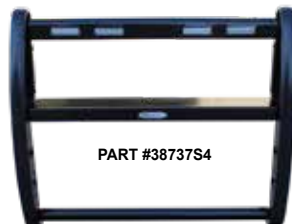

PART #50015

INTERCEPTOR SUV BOX

- Constructed out of 16 gauge steel
- Comes in a Black Semi-Gloss Powder Coat Finish.
- Single level storage box (30.25 x 40.25 x 13)
- Comes with a "T" style handle and key
- Depth of drawer measures 8.5" deep
- Includes one drawer divider
- Allows easy access to spare tire
- Does not obstruct rear view of cabin

PART #40021W4

PART #38737S4

LIGHTED PUSH BUMPERS

- Can be ordered in a 2, 3, 4, or 5 light-cut-out pattern (on most vehicles)
- Accommodates SoundOff Signal nForce®, Wheelen Ion® lights and code 3 mrg
- Designed for rugged durability and style
- Fully welded one-piece construction
- Can be ordered in a wrap, non-wrap version, or winged version
- Uses large 1.9" cross bars on the top and bottom along with a heavy-duty 11 gauge flat shelf for lights and sirens
- Comes in a Semi-Gloss Black Powder Coat Finish

LIGHTS NOT INCLUDED

ONE-PIECE WRAP GRILLE GUARDS

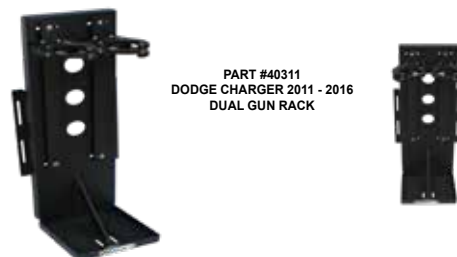

- Designed for full frontal protection
- Fully welded one-piece wrap construction
- Rubber push pads come already installed
- Uses large 1.9" diameter tubing along with heavy-duty 3/16" flat shelf for lights/sirens
- Comes in a semi-gloss black powder coat
- All brackets and hardware included
- Made in the USA

LIGHTS NOT INCLUDED
PART #39021

DUAL GUN RACKS

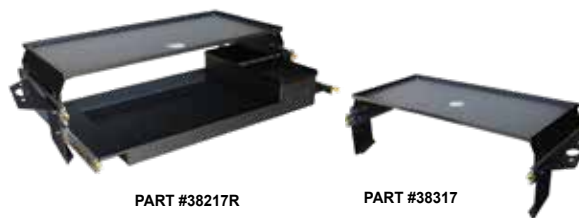

- Dual Gun Rack for the Dodge Charge
- Black textured Powder Coat Finish
- Constructed out of 16 gauge material
- Will hold 1 or 2 weapons securely, using the Santa Cruz locks (Sold Separately)
- Made in the USA

PART #40311
DODGE CHARGER 2011 - 2016
DUAL GUN RACK

TRUNK TRAYS

- Perfect for all your electronic needs
- Comes in Black Powder Coat Finish
- Trunk Trays can be ordered in a single level or dual level depending on your equipment needs
- Constructed out of 11 gauge steel
- Accuride Sliders - Holds 350lbs per shelf
- All mounting hardware included

PART #38217R

PART #38317

WINDOW GUARDS

- Protects the vehicle from kick-outs and door damage
- Precise laser cut part
- Attractive design that compliments any Law Enforcement vehicle
- Constructed out of 16 gauge steel material
- Comes in Black Textured Powder Coat Finish
- Easily installs using supplied sheet metal screws
- Made in the USA

PART #38511

SKID PLATES

- Protects the vehicle's engine from any under carriage damage
- Precise laser cut part
- Will work on either 6 or 8 cylinder vehicle
- Uses existing bolts underneath the vehicle making this an easy no hassle install
- Comes in Black Textured Powder Coat Finish
- Constructed out of heavy duty 3/16" steel material
- Made in the USA

PART #38611

SPECIALTY BRACKETS

- Precisely engineered to meet your needs
- Design, Bulk Packaging, Coating Services are available
- Parts are laser cut using aluminum, stainless, or mild steel materials
- Made in the USA

2023 POLICY STATEMENT

All Go Industries CHROME products have a high-quality finish that must be cared for like any other exposed finish on the vehicle. Proper cleaning is essential, especially during winter use. Salts, chemicals, mud, mineral deposits and other semi-permanent debris can lead to corrosion and permanent damage. We recommend a thorough cleaning of all surfaces once a week and/or after hard use. Dry the surfaces to remove any mineral deposits left by water. Protect the finish with a non-abrasive automotive wax, pure carnauba, on a regular basis (at least twice every 30 days). The use of any soap, polish or wax that contains an abrasive is detrimental, as these compounds can scratch the finish, opening it to rust and corrosion which will void the warranty. Failure to clean and take care of the unit with the above steps could result in denied warranty claims.

• **THREE-YEAR WARRANTY** – Including materials, workmanship and finish (Excluding Exposed Welds).

Chrome Big Tex Grille Guards™, Black Big Tex Grille Guard™, Black Grille Shield Grille Guard™, Winch System Grille Guard, Chrome or Black Sport Bars, Stainless Headache Rack, Stainless Air Flow Tailgate, Big Willy Bed Rail™, Billet Grille, Tailgate Protectors and Simulators

• **THREE-YEAR WARRANTY** – Including materials and workmanship (Excluding Finish and Exposed Welds).

1. Diamond Tread Steps, Jeep Bumpers, Jeep “Bull Bar”, Jeep “Rock Guards”, Jeep Light Brackets, Quad - Guard™, Rancher Grille Guard™, Pro – Series Bumper Replacement™, Chrome or Black Big Foot Headache Rack™, Louvered Air Flow Tailgate, and Chrome Bed Rails the finish warranty is one-year. Note: The finish on the Rancher Grille Guard™ is free of paint scratches and chips when packaged. Minor paint scratches and chips caused by installation or transportation handling is not a warranty issue and cannot be returned. Go Industries will furnish touch up paint for minor scratches and chips and the touch up will not harm the integrity of the product.

2. Flat Iron Rack, Heavy Duty Lighted Rack, Painted Tailgates and Spare Tire Mounts the finish warranty is six-months.

3. All products that are coated using the “Ultimate Armor” coating is covered for three years on materials and workmanship excluding fading.

• **TWELVE-MONTH WARRANTY** – Including materials, workmanship and finish.

1. All Law Enforcement products

NATURE OF WARRANTY AND TO WHOM IT APPLIES: Warranties extend to the original consumer and warrant the product against defects in manufacturing, workmanship and finish for the period of the warranty, commencing from the date of purchase. The warranty is limited to repair or replacement of the product and does not include electrical components or light bulb replacement, any charges to remove or re-install the product, labor, freight, inconvenience, consequential damage or any other cost or expenses.

EXCLUSIONS FROM WARRANTY: The Warranty of Go Industries does not extend to exposed welds, freight damage, damage to the products caused by intentional misconduct, negligence, abuse, misuse, road hazards such as damage from gravel, rocks or other debris, modifications or alterations to the product, improper installation, uses of the product contrary to the product information sheet which accompanies the product, improper or inadequate maintenance (see finish protection above) and normal wear and tear. The finish on the Rancher Grille Guard is free of paint scratches and chips when packaged. Minor paint scratches and chips caused by installation or transportation handling is not a warranty issue and cannot be returned. Go Industries will furnish touch up paint for minor scratches and chips and the touch up will not harm the integrity of the product.

EXERCISE OF RIGHT OF WARRANTY: The warranty is conditioned upon the return of the product to the original place of purchase or to Go Industries, at the expense of the consumer, together with the original proof of purchase from the end user and not a reprinted copy from the retailer. If you purchased your product online, the product must be returned to the online reseller or to Go Industries at the expense of the consumer. To return to Go Industries, call Customer Service at (800) 527-4345 and a Return Authorization Number will be issued for return and inspection. Product must be properly boxed to prevent damage to the product during shipment. If it is determined that the product returned was defective because of defects in manufacturing or workmanship, Go Industries will repair or replace the product and return the product at no additional expense to the consumer. If the defect was not due to a defect in manufacturing or workmanship, the product will be returned to the customer if consumer pays transportation expenses. If not, the product will be held for a period of thirty (30) days for the consumer to make arrangements to pick-up the product. After that time, it will be disposed of by Go Industries. Credits that are issued will be in the form of a merchandise credit only. All special-order items such as Brackets, Bracket kits, custom powder coated or manufactured parts are non-returnable.

WAREHOUSE DISTRIBUTORS REQUESTING WARRANTY RETURN: To return product for warranty issues, call Customer Service at (800) 527-4345 for a Return Authorization Number. A Return Authorization Number will be issued for return and inspection. Product must be properly boxed to prevent damage to the product during shipment. A return does not guarantee a credit will be issued. Warranty claims cannot be determined until the returned product is inspected. If the product is found to be abused, altered, or used contrary to what the part was intended, the warranty claim will be denied. Freight damage product is not covered under the warranty policy. Dents, scratches, and bends are freight damage issues and should be treated as such! Product returned as defective and are found to be in saleable condition are subject to a restock and re-box fee. All credits issued are merchandise credits only. Return Authorization Numbers are void after 30 days. Returns over \$6000.00 will be credited over 30/60 day period.

CLAIMS FOR FREIGHT SHIPMENT SHORTAGE OR DAMAGE: It is very important to note any possible shortage or damage on the freight bill at the time of delivery before you sign for the shipment. Any problems must be reported to Go Industries within 72 hours of receipt of the shipment. Claims for all freight lines, UPS and FEDEX must be filed within 15 days of shipment. UPS and FEDEX claims must be filed by Go Industries (the shipper). Claims for all freight lines can be filed by Go Industries as a service for our customers if the shortage or damage has been noted on the freight bill. If not, Go Industries cannot file the claim. All claims with concealed or hidden shortage or damage must be filed by the customer. Go Industries will assist with any claim to insure you receive quality service from the freight carriers.

STOCK ADJUSTMENTS: Go Industries' distributors will be allowed a one (1) stock adjustment per calendar year not to exceed 2% of the previous year's net purchases with an offset order of twice the value of the stock adjustment. A 15% handling fee will be assessed to all stock adjustment returns. The product must be in the original box and in good condition. Product packing in poor condition may be subject to an additional re-box fee. Cash refunds are not allowed. A merchandise credit memo will be issued. Deductions for payments before receipt of a credit memo are not allowed. Damaged or discontinued parts cannot be returned for credit on stock adjustments. All stock adjustment returns must be returned freight prepaid. Returns over \$6000.00 will be credited over a 30/60 day period. Merchandise older than three years from date of purchase from the manufacturer, discontinued or parts that have been updated from the original version cannot be returned.

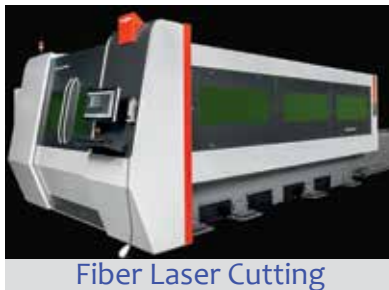

All new product returns, other than authorized stock adjustments, for whatever the reason and not the fault of Go Industries, will be assessed a 25% handling fee. Product must be in the original box and in good condition. All product returns require a Return Good Authorization Number that must be clearly marked on the outside of the box. Items that are received without an RGA # will be refused. Product packaging in poor condition may be subject to an additional re-box fee. Powder Coated product(s) that are returned as new product but need to be re-coated due to scratches, scraps, etc. are subject to a \$40.00 Powder Coating fee. Any UA Coated product that is returned as new but needs to be recoated due to freight damage are subject to a minimum \$60.00 re-coating fee up to \$150.00 depending product.

With over 40 years of manufacturing experience, Go Industries offers the following services.

All products are engineered and built out of Texas.

Engineering Services

Fiber Laser Cutting

Certified Welding

Powder Coating

Other Services

- Design
- Assembly
- Packaging
- Chrome Plating
- Pipe Profiling
- Certified Welding D1.1, B31.1, B31.3
- CNC Bending
- Rolling
- End Forming
- Sawing
- Bending
- Shearing
- Notching
- Punching
- Fabrication
- Robotic Welding
- Laser Cutting
- Plasma Cutting

Go Industries offers custom manufacturing solutions along with Private Label programs for select OEM and other businesses.

With our in-house design team, we have the capability to create full, turn-key parts for all of your needs. Parts are built, packaged and assembled in one of our two manufacturing facilities out of Texas. If items need to be coated, we have a high capacity powder coating line and batch oven.

Our large inventory of tooling and machinery saves you the additional overhead expense which comes with fabricating. Please contact us for further details and RFQ's.

Go Industries Manufacturing Equipment List

TYPE:	DESCRIPTION:
Fiber Laser	1 Bystronic BySmart 6KW, 120" x 60" Fiber Laser cutting system with automation. Cuts up to 1" mild steel, 1" Stainless Steel, 1" Aluminum, 3/8" Copper 1 Bystronic 4KW 120" x 60" Fiber Laser cutting system
Press Brake CNC	2 Mitsubishi BB6020 All Electric with Diamond Bend Offline programming 1 Wysong Fab 100-120, 10' x 120 ton hydraulic CNC Press Brake 4 Axis 5 Various CNC and non-CNC press brakes, up to 100 ton
Tube Bender	2 Eaton Leonard VB300, with Bend Pro "G2" full 3-axis CNC upgrade - max 3" ; 14' over mandrel
Tube/Angle Roll	2 Eagle Roll Bender model CP-40H/60H - rolls tube, pipe, flat bar, angle iron, T-section and I-beams. CP-40H has 3 roll variable speed
Computerized Pipe Cutter	1 Bendtech A400 Dragon multi-Axis tube and pipe plasma cutting system
Hem Saw	1 Sidewinder, with autofeed. Straight & mitre cut production bandsaw
Cold Saw	1 MEP 12", straight & mitre cut production. Cuts up to 6" diameter tubing
Shear	1 Niagra 10' x 3/16 Hydraulic with Backgauge
Ironworkers	2 Uni-Hydro 42 ton; Iron Crafter 35 ton
Robotic Welder	1 Kawasaki BA006, with OTC Wellbe 400 welder
Mig Welding	30 30 cells various makes and models
Tig Welding	3 3 cells Lincoln 255/300TIG
Plate Rolls	1 Americor L.H. 180/6 guage 6' x 1/4" plate roll
Pem Machine	1 Pneumatic press; 18" throat depth, 6 tons of force
ABW ERP Software	MS SOL based ERP software includes sales/inventory/manufacturing/costing/purchasing and accounting modules unlimited user license
Solidworks	Version 2022, 4 seats

Facilities:

63,000 sq.ft. Warehouse - Richardson, Texas (420 N. Grove Rd.)
